## RESULTS brings Experts on Women and TB to major UN Conference

Anti poverty advocacy organization, **RESULTS** will host a ground breaking workshop on the issue of women and TB at the first ever UN conference to be held in Australia.

This workshop will address why women are disproportionately burdened when affected by TB and what needs to be done by health programmers, advocates and funders. The workshop and also comes at a critical time for achieving the Millennium Development Goals and fully funding the Global Fund to fight AIDS, TB and Malaria.

### Workshop Details:

**“Slipping Through the Cracks:  
Women and Infectious Diseases (TB, TB/HIV)”**

**WHEN:** Tuesday, 31 August, 3.30 – 5.00pm

**WHERE:** Melbourne Convention Centre

**Part of the UN DPI NGO conference:  
Advance Global Health: Achieve  
the MDGs (Aug 30 – Sept 1)**
