◆ MICROFINANCE

Australia's aid:

1990: **\$200,000**

2011: **\$20 million**

Microcredit Summit
Campaign :

1997: **12.8 million** poorest
families reached

2009: **128 million** poorest
families reached

25 years of RESULTS

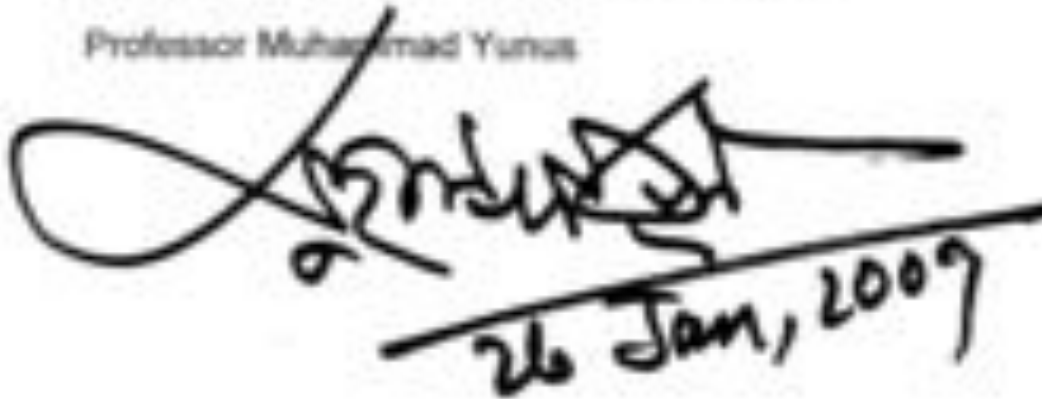

◆ MICROFINANCE

Dear RESULTS partners and allies,

I write to you today with gratitude for all of your hard work to help ensure that microcredit is available to the poorest. Without your perseverance, commitment, and advocacy, we would not have been able to make this ground breaking announcement of having reached 100 million very poor borrowers with microloans.

I hope that you will join me in celebration of this wonderful achievement as we work toward putting poverty in the museums.

Professor Muhammad Yunus

◆ CHILD SURVIVAL

25 years of RESULTS

◆ CHILD SURVIVAL

The 1990 World Summit for Children was the largest gathering of world leaders to date and focused on the survival, protection and development of children in a world where 40,000 Children died every day from poverty related causes.

RESULTS initiated Candlelight Vigils which saw over one million People gather to call on action from World leaders at the Summit. Prime Minister Hawke (right) attended the Sydney vigil.
