DIRECTORS' REPORT

In respect of the financial year ended 31 December 2022, the directors of Results International (Australia) (Results) submit the following report:

1. Directors of the Organisation

The following Persons were directors of Results for the whole of the 2022 financial year unless otherwise stated:

Ted Wziontek (Chair)	Marcus Marchant
Jeanmaree Furtado (Treasurer)	Rob Shwetz
Florian Grenier (until November 2022)	Ryan Turbill (from May 2022)
Jutta Rieger	Terina Stibbard
Luke Mitchell	

2. Principal Activities

Results is a movement of passionate, committed everyday people. Together we generate the public and political will to end global poverty through the prevention and control of diseases in human beings and equitable access to health.

Results vision is of a world where everyone has equal opportunity to fulfil their own potential, and to live in safety, with sufficiency, dignity and freedom. All people will have adequate food and nutrition, and access to basic services including health, education, safe water and sanitation. All communities and individuals will live in harmony with each other and with the environment.

Volunteers receive training, support, and inspiration to become skilled advocates. In time, volunteers learn to effectively advise policy makers, guiding them towards decisions that improve access to education, health, and economic opportunity for those who need it most.

Volunteer advocates are backed by in-depth research, the legislative expertise of Results staff, and detailed training.

We multiply our impact through the power of advocacy — whether it's helping change policy to support millions of families putting food on the table or helping raise billions of dollars to assist the world's most vulnerable children.

Results advocates are not paid lobbyists. We come from every corner of Australia and around the world. We prove that every voice has power – and by bringing all of our voices together, we can change the world.

Results Australia works in partnership with many national and international organisations, in particular our Results affiliates in the United States, United Kingdom, Canada, Japan and South Korea.

RESULTS INTERNATIONAL (AUSTRALIA) INC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The financial statements cover RESULTS International (Australia) Inc. as an individual entity. RESULTS International (Australia) Inc. is a not-for-profit Association incorporated in New South Wales under the Associations Incorporation Act (NSW) 2009 and Associations Incorporations Regulation (NSW) 2010 and the reporting requirement of the Australian Council for International Development (ACFID). The board has determined that the association is not a reporting entity. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

Results International (Australia) Inc. is a non-for-profit entity.

b) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

c) Revenue and other income

The Association has applied AASB 15: Revenue from Contracts with Customers and AASB 1058: Income of Not-for-Profit Entities.

Operating grants, donations and bequests

Results receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15.

When both these conditions are satisfied, the Entity:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

RESULTS INTERNATIONAL (AUSTRALIA) INC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Where the contract is not enforceable or does not have sufficiently specific performance obligations, Results:

- recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards (for example AASB 9, AASB 16, AASB 116 and AASB 138);
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, Results recognises income in profit or loss when or as it satisfies its obligations under the contract.

Grant Revenue

Overseas grants are recognised in the income statement when the entity obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

RESULTS International (Australia) Inc. receives non-reciprocal contributions of assets from overseas grants for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the income statement.

Donations

Donations and bequests are recognised as revenue when received/receivable.

Interest revenue

Interest is recognised using the effective interest method.

Subscriptions

Revenue from the provision of membership subscriptions is recognised when received.

RESULTS INTERNATIONAL (AUSTRALIA) INC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

d) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost acquisition to the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.

e) Cash and cash equivalents

Cash and cash equivalents comprise of cash at bank.

f) Trade and other receivables

Trade and other receivables include amounts due for services provided and/or to be provided as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

g) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

h) Employee provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

i) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

j) Comparatives

Comparative figures have been adjusted to conform to changes in presentation for the current financial year where required by accounting standards or as a result of changes in accounting policy

RESULTS INTERNATIONAL (AUSTRALIA) INC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

k) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and based on current trends and economic data, obtained both externally and within the association.

l) Economic Dependence

RESULTS International (Australia) Inc. is dependent on Results Educational Fund supported by a range of Philanthropists for being the major contributor of the grants. At the date of this report the Board of Directors has no reason to believe that the Results Educational Fund will not continue to support RESULTS International (Australia) Inc.

We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist RESULTS International (Australia) Incorporated in fulfilling its financial reporting obligations as applicable. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The board of RESULTS International (Australia) Incorporated is responsible for the other information. The other information comprises the information included in the registered entity annual report for the year ended 31 December 2022 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Information Other than the Financial Report and Auditor's Report Thereon (Cont'd)

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board Members for the Financial Report

The board of the registered entity is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the needs of the Associations Incorporation Act (NSW) 2009 and Association Incorporations Regulations (NSW) 2010, and the reporting requirements of the Australian Council for International Development (ACFID), the Australian Charities and Not-for-profits Commission Act 2012 and the Charitable Fundraising Act (NSW) 1991, and for such internal control as the board members determine is necessary to enable the fair preparation of the financial report and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the board is responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

The board is responsible for overseeing the registered entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.

Auditor's Responsibilities for the Audit of the Financial Report (cont'd)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the management, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
